## PRESIDENTS MESSAGE

Happy March everyone,  
 What a busy February we have had. A lot has been going on, people on the road. It's cool to watch Amber Moore and Sharon Woods down in Texas, congratulations to both of you. Terri and Jaymie Leach enjoying the sunshine and dirt down in Arizona while the rest of us dealt with the crazy ice storm LOL.  
 We have seen so many changes and we will continue to see changes. We have people that we love and care about in this organization that are moving forward in life. Heath and Tosha Ferrando will be headed for Texas, we all wish you the best and we expect you to come back and hang out. Other changes we have seen I, Nick Meuret will be your 2021 President. We have filled some board positions as well, Tom Delker & Sara Hart will be Directors and your acting Vice President will be Kelsey Bault. Our new Junior Director is Mr. Austin Kennell. We will have a few positions opening as people's lives change. We will be filling a space on the Interstate committee and we are looking for a Secretary for our organization. If you have been waiting to get involved and continue to allow us to grow and move forward this is your time to speak up. We will continue to have open door meetings in person or zoom. I'm also thinking about doing a monthly zoom discussion to keep the organization together as we are so spread out.  
 Judges and Timers - those of you that need a test for 2021 you will receive it in the next couple weeks. We will also be putting together a Judges & Timers meeting (probably via zoom) so we can get as many judges and timers as possible in one location at one time. And if you are social media savvy look up the WHO Judges & Timers page, I am trying to use that a little more.  
 Covid restrictions are changing little by little, but as an organization we want to continue to have the best shows possible. You will be required to wear a mask at any WHO venue at this time. The only time you will have no mask or face covering is when you are on horseback. Also, keep in mind social distancing while in the arena. There will be repercussions for those of you that do not follow the rules. If it is a continuing problem you will be asked to leave the venue without any refund to your entries.  
 With all that being said, we wish you all the best and have a fantastic March.

Thank you,  
 Western Horseman of Oregon President  
*Nick Meuret*

## JUNIOR DIRECTOR

I have lost count how many years I have been able to be the JR Director of this amazing group of kids that we have in WHO. I have worked hard to create a space for all of the kids to feel they have someone to come to, a cheerleader in their corner and an organization that they can be proud of. I feel over the years we have had a LOT of fun, we have shared lots of laughs, lots of wins, some losses and more importantly learned some amazing lessons.  
 I have enjoyed being a part of all of your children's journey through WHO and it is something that I never took lightly. I will still always be in your corner, I will always be someone you can come to! And for the time that I have left here in Oregon I will still try and have as much fun with you as I can.  
 With all that said, I am handing the Jr. Director reins over to Austin Kennell. I worked with Austin for 2 years as the Jr. Representative and I know he will do an amazing job for you all. Keep riding hard and having fun!

Much Love,  
*Tosha Ferrando*

NEWSLETTER

Saying a BIG goodbye to 2020 with a new look for the newsletter. However, I think history is important so I am bringing some of WHO's forward. I have a new laptop with more options than my old outdated one with Word. The header is a work in progress. The photos, their size, and arrangement will change as I find the right ones. Most of the record times go back a FEW years! Also thinking it would be cool to add a third page sidebar with a list of all the 5A Supreme horses. Let me know what you think of the new format. My info is in the sidebar.

Thanks,  
 Yvonne Cook
