Reason—

Page 23 & 36 in the rulebook have different rules for barrel weight. Needs to be cleaned up. Also across clubs there are a lot of different weights to barrels and they need to be consistent.

Board in favor of cleaning up the rulebook

3. New rule—*submitted by Nick Meuret*

Points chair will also be the Classification chair.

Reason—

This has already been happening for the last year and has been working so making it a rule makes sense. Re-classification doesn't happen very often, so when it does a committee can be formed, approved, and then convene to discuss the re-classification request.

Board in favor
